Dear Parents and Carers,

We wanted to share with you the latest **FANTASTIC FUNDRAISING** amount we have all raised for the NSPCC- **£2698!!!**

£4 could connect one child to Childline.
£400 could connect 100 children to Childline.
£1,200 could connect 300 children to Childline.

The children were **absolute superstars** on Number Day with all the activities and have been so motivated to raise the money for the cause. Years 4,5 and 6 finally shared the 'Numberblocks' costumes they had created for Nursery and children were able to enhance their love of reading with number- related books:

Thank you **ALL** so much for all your generous support with donations- **we could not have done this without you!** If you need to forward any last donations, please go to the link as this will be closing on Wednesday:

Article 27 (adequate standard of living) Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development. Governments must help families who cannot afford to provide this.
